WINE OF CARDUI

A LITTLE DOES MUCH.

No tongue can tell what I have endured in the ten years with my monthly sickness. While suffering untold agony, a friend called and recommended Wine of Cardui. I sent for a bottle, and Oh! what relief. After the first dose I began to feel better and have had no pain since.

MRS. GRACE LAMPERTHE.

WINE OF CARDUI

Wine of Cardui not only cures but it acts AT ONCE. Here is a case of ten years' standing, and yet one single dose made the sufferer feel better, and stopped the pain. The Wine goes straight to the seat of the trouble. It acts directly upon the menstrual and genital organs. Its action is not violent, and it does not force a result. It simply gives Nature that little assistance that the sufferer's system lacks. A single disorder in the feminine organs spreads many disorders all over the body, and when the Wine cures the source, all the other ills vanish as a matter of course. A woman can be her own physician and cure herself at home. Local examinations are largely things of the past—the obnoxious custom is no longer necessary. Wine of Cardui is the only perfectly safe and sure vegetable Wine made to-day for the cure of "female troubles".

Remedy That Cures Paralysis

Mr. H. N. Warner, of Kearney, Neb., says:

"In 1894 I was attacked with paralysis in my left side. You might stick a pin to the head into my left hip and I would not feel it. I was unable to do any kind of work, and had to be turned in bed. I fully made up my mind that I could not be cured, as I had used all kinds of medicine and had tried many doctors. At last I was advised to try Dr. Williams' Pink Pills for Pale People, and I very reluctantly commenced their use last September. Before I had finished my first box I began to feel much better, and by the time I had used six boxes the paralysis disappeared; and although two months have passed since I finished my last box, there has been no recurrence of the disease."

From the Advertiser, Astell, Neb.

Dr. Williams' Pink Pills for Pale People contain, in a condensed form, all the elements necessary to give new life and richness to the blood and restore shattered nerves. They are an unfailing specific for such diseases as locomotor ataxia, partial paralysis, St. Vitus' dance, sciatica, neuralgia, rheumatism, nervous headache, the after-effects of la grippe, palpitation of the heart, pale and sallow complexions, all forms of weakness either in male or female.

Dr. Williams' Pink Pills for Pale People are never sold by the dozen or hundred, but always in packages. At all druggists, or direct from the Dr. Williams Medicine Company, Schenectady, N. Y., 50 cents per box, 6 boxes \$2.50.
