Ladies Cloaks

Our cloak sales this year have been the largest in the history of our business; and although the heavy selling has left us a broken assortment, we still have a fair line of desirable styles. In order to close out every garment this season, we are now offering the balance of our stock of Ladies Cloaks at reduced prices. If you have not yet bought your cloak, do so now, as we expect to sell our entire line, and by getting your cloak now, you will have the advantage of the cut prices, and a larger assortment to select from than a few weeks later.

The special Gospel Meetings which closed Sunday Evening were profitable in many ways. Many persons were led to accept Christ as their Savior and Lord and others have come to understand more fully the Spiritual Life. The church has become more conscious of its missions and will live to fulfill more fully the Divine purpose. We desire to thank Rev. Moore and his church for their good wishes and co-operation and we hope that the friendship, thus formed, will grow until we are fully conscious of our true relationship and can sing "Our fears, Our hopes, Our aims are One".
