## CENSUS REPORT FOR SCHOOL PURPOSES, YEAR 1916-17.

By Rose Hart } Trustee of Subdistrict No. 1 Educational Division No. 6  
or  
Chairman Board of Trustees, District No. ....

### Read Carefully these NOTES AND SUGGESTIONS before taking the Census

**Note 1.** This report must be recorded in the Trustee's Record Book and made to the County Superintendent on or before the first day of May, and a duplicate list filed with the County Clerk.

**Note 2.** Under the statutes, besides working a forfeiture of office, the person who perpetrates a fraud in making this report, or becomes a party to such fraudulent list, or in any way aids in the commission of such fraud by wilfully adding to the list the names of persons not entitled to be placed on the same, by otherwise making a false list, or by misstating any fact in connection with it, is guilty of a felony, and is punishable by fine or confinement in the penitentiary, or by both fine and imprisonment, in the discretion of the trial jury.

**Note 3.** Failing to receive this census by the 10th day of May, the County Superintendent must cause it to be taken, the cost to be paid out of the county levy, whereupon the fiscal court may recover such amount from the delinquent trustees.

**Note 4.** The County Superintendent, who must himself superintend the census taken during the month of April, shall not later than the 20th of March of each year, furnish each sub-district trustee of his county, exact information touching the present boundary of his district, noting with precision, the changes for the ensuing year, if any, and at the same time giving definite printed or written instructions as to the best method of obtaining a correct census.

**Note 5.** In securing this annual census through his trustees, or by employing others, if need be, the County Superintendent must make use of blanks furnished by this department, "with such instructions and information as may be deemed necessary to a proper understanding and use of them," and "shall conform to such reasonable rules and requirements as the Superintendent of Public Instruction shall, from time to time, prescribe and announce to them (him)."

#### **Note 6. WHOM TO INCLUDE IN THE CENSUS.**

In taking this census the trustee, or other person employed to make the enumeration, shall include all children living within the boundary of said district, at the time the list was taken, that were bona fide residents of the same on the first day of April, and that will be on the first day of July following, between the ages of six and twenty years.

#### **Note 7. WHOM TO EXCLUDE FROM THE CENSUS.**

(a) He shall exclude such children as have removed into the district, from other sections of the county, since the first day of April, unless he has a certificate or statement in writing from the officer or other person whose duty it is to take the census in the district of their former residence to the effect that they have not been and will not be listed the present year by the latter.

(b) He shall, in all cases, exclude such children as, alone or along with their parents, have recently come into the districts from other counties in the State or from other States, unless they removed into the same before the first day of April for the purpose of making it their permanent home.

#### **Note 8. BOUNDARIES.**

(a) The power to change boundaries of sub-district, even to the extent of laying off anew the districts of the county if necessary, is lodged with the County Board of Education.

(b) The boundaries of any school sub-district, shall include all children, both white and colored, residing in said sub-district, and said sub-district shall not include, except in cases of emergency, fewer than fifty white children of school age, nor in any cases fewer than twenty-five such children. No sub-district shall be apportioned the per capita of the State fund on fewer than fifty white pupil children, nor shall any sub-district be apportioned the per capita on more than one hundred white pupil children for the payment of one teacher.

#### **SUGGESTIONS.**

(1) Be sure you know the boundary of your district before attempting to take this census.

(2) The Visitor of a consolidated colored school should take the census of the entire consolidated boundary.

(3) Take great care to avoid enrolling in wrong districts children living near boundary lines.

(4) In taking this census, include children born on or before July 1, 1910, but exclude those born on or before July 1, 1896.

(5) In case of parents or guardians of the same name, designate as Sr., Jr., or by such other distinctive terms, as will readily point out which is meant.

(6) Give the first part of the Christian name of each parent or guardian and of each pupil in full, as also the surname, using the initial for the middle name.

(7) Always visit each home, residence or place of abode, in the district, and, by actual observation and interrogation, enumerate the census children of the same.

(8) Trustees must deliver this report in person to the County Superintendent, as he is not authorized to receive and file it until signed and sworn to as indicated on the last page.

(9) In the absence of a family record, which it is always well to consult, if at hand, the mother can, as a rule, readily give the date of birth of each child.

(10) Be sure you have the report correct before copying and presenting it to the County Superintendent, and remember that it will be useless to ask him to add names after he has reported the census for his county, as no corrections will be made at the State office of birth of each child.

**V. O. GILBERT,**

Superintendent of Public Instruction.
