 Bath Easton August 30 1844
 J. Henry Bowes Vicar of St Mary Magdalene Taunton in the County of Somerset do hereby certify that I did on the 5th day of May 1841 baptize according to the Rites of the United Church of England and Ireland the daughter of Thomas Middle Rowline and Ann his wife by the name of Georgiana

To the Ministers of Bath Easton
 At the request of T. H. Kochie Esq. I insert this in the Register Book of Bath Easton. & as requested at the same time to specify that, through a mistake at the time of Baptism, the child above mentioned is entered in the Register of Taunton as Georgiana only whereas it was the intention of her Parents that she should bear the name of

James of Bath
